

SENATUS CIRCLE

SENATUS CIRCLE is a premium giving opportunity program for those wishing to contribute \$1,000 or more to support University High School.

Based on current API scores, University High School enjoys the honor of being the highest performing high school in the Central Valley. The school, located on the campus of California State University Fresno (CSUF), offers a rigorous academic curriculum, small class sizes and a highly acclaimed music education program in a nurturing and caring environment.

The tuition of a private high school in the Fresno region is upwards of \$7,000 per year. The tuition at exclusive college preparatory private day high schools in the state is in the \$25,000 range. At University High School, there is no tuition. Students enrolled in mandatory CSUF classes do not pay tuition or book fees. Elective CSUF classes are tuition-free, except for the cost of books. UHS students have access to a myriad of first-rate CSUF facilities, including the library, science laboratories, music concert hall, black box theatre, student union, residence dining hall and athletic fields. In the near future, UHS will be housed in an exciting state-of-the-art building designed for its unique needs.

Our leaders of tomorrow will benefit from your investment today, helping to yield high dividends in our student's future success. Your generous contribution will go towards funding and greatly enhancing programs and activities not covered by public school funds. Your contribution is needed to keep University High School the educational "Jewel of the Valley."

SENATUS CIRCLE Membership include:

- One hundred percent of your contribution will benefit the program
- Full Voting Membership
- Premium reserved seating option to all UHS performances
- Premium seating option for major fundraisers
- Acknowledgment in printed materials and website.
- Two Honored Guest passes for the SENATUS CIRCLE Spring Reception.
- Total contribution is tax deductible
